

Türk Telekom: Consolidating Its ERP Landscape and Powering Reporting with SAP® Simple Finance

Citizens and businesses in Turkey could not imagine living without phone or Internet service, and Türk Telekomünikasyon A.Ş. (Türk Telekom) makes sure they won't have to. As Turkey's leading telecommunication and technology provider, Türk Telekom is dedicated to exceeding customers' expectations by delivering high-quality and reliable service. Recent corporate acquisitions required Türk Telekom to consolidate financial data from multiple sources.

With its focus on growth, the company needed a solution with the flexibility to meet current and future needs. The SAP® Simple Finance solution, part of the SAP S/4HANA suite, helped consolidate financial data and standardize business and regulatory reporting. With the SAP Fiori® user experience, group CFOs have on-the-go access to management data. Türk Telekom can now strengthen its position even more in Turkey, one of the largest telecom markets in the EMEA region.
